The image is a graphic designed to look like an open notebook. It features a light beige cover with rounded corners. On the left side, there is a vertical red strip representing the notebook's spine, with five brown horizontal lines indicating binding. On the right side, there are several colorful tabs in shades of pink, green, yellow, purple, and teal. The central area of the notebook is filled with a photograph of a large, jagged ice formation in shades of blue and white, set against a pale blue sky. Overlaid on this image is white text in a bold, sans-serif font.
